HOLLYWOOD, Fla., Oct. 24, 2023 - The razzle-dazzle of Broadway meets the sparkle and pizzazz of Hollywood at the exclusive residency of POMP, SNOW & CIRQUEumstance at the Diplomat Beach Resort. The highly anticipated new stage spectacular, immersive experience & holiday cirque show by renowned Broadway director and Cirque Dreams founder Neil Goldberg, will perform 19 shows December 22 through 30, 2023 at The Diplomat Beach Resort in partnership with Capture Studio Group and Variety Arts Management. This limited engagement is expected to sell out. Tickets start at \$39 and are on sale now at [www.CirqueAtTheDiplomat.com](http://www.CirqueAtTheDiplomat.com).

Adapted from Goldberg's 9-time award-winning book and 7-time Telly Award holiday film, POMP, SNOW & CIRQUEumstance is an exhilarating journey with three best friends who master music, magic, and circus skills for the holiday season at a secret university before sharing their talents with the world.

Ticket holders attending the live-action holiday cirque show will first enter the POMP, SNOW & CIRQUEumstance IMMERSIVE UNIVERSE. This unique interactive holiday wonderland enchants with dazzling lights, decorations, photo opportunities, and the storybook characters. Aerial acts, gravity-defying circus performances, spellbinding magic, skating and cycling are performed in a show-stopping Broadway-style production. An international cast of 30, over 200 costumes and an unforgettable grand appearance by Santa Claus himself makes this entertainment phenomenon the perfect holiday gift.

"POMP, SNOW & CIRQUEumstance is a one-of-a-kind holiday attraction that will leave audiences of all ages breathless and become a new family holiday tradition," says Goldberg.

"The spectacle and grandeur of POMP, SNOW & CIRQUEumstance make the show and immersive experience a natural fit for the rich history of The Diplomat Beach Resort, Hollywood," says Diplomat General Manager Dean Lane.
